From dystopian novels to celebrity memoirs, we've got you covered. 1 of 15 Photo credit: Thinkstock The Girl On The Train by Paula Hawkins Book Description: From New York Times bestselling author Paula Hawkins comes a mesmerizing and suspenseful tale of a girl who falls for the wrong man, only to be left holding the pieces. Rachel takes the same commuter train every day and never waves back to her neighbors — a couple with two young children who seem perfect (except for the way he looks at her every morning). One day she sees something shocking and returns to the...
