This is the original version like the one you have on our server! Thanks to the owner of the original ESRB ESRB.com There was a scene with a virgin acting out the oral sex scene and all the network marketing traffic for the scene was 50 000-100 000 views per day. This was because of a scene that was added to the movie in the censored version of the film. You can see this in the first shot when Sofia vergara is putting on her garbs it is set to the scene that was changed in the censored version. The censored version is supposedly an extra scene that they cut out of the film. So I do not know if its true or not, but if you want to be 100% sure of not being fooled by this, you need to contact dlmovie or the edbush youtube channel.
