Tolkien legendarium. With his love for dark magic, too much personal wealth, and self-serving plots, he's kind of a vile character for sure. But did you know that there's a quite a few other alternative Dwarfs that the author never really gave any mention? Read on and learn about Saruman's dark doppelganger here. 1. Glóin Glóin is actually the brother of the late Thrór of the Three Towers. Disliking his younger brother's silencing of the Unfinished Tales, Glóin ran away from Thorin and his company. While on a journey to Rivendell, Glóin passed by the Moria 3e33713323
